STATE SALE *Scotch Shorthorn Cattle*

Shorthorns Provide Security

GOOD BLOOD LINES STRENGTHEN YOUR HERDS

76 head of the finest cattle from 22 of the strongest herds in Kansas have been assembled to make this the best Shorthorn offering in Kansas State Sale history.

Previous Kansas State Shorthorn Sales have proved to discriminating buyers that the carefully selected cattle represented in these sales are truly the best in the Mid-West. In many instances the sale committee selected young cattle that had been definitely marked for the breeding herd. Unfortunately a photographer was not available so that individual pictures could be taken and the true value of this offering more fully illustrated. Study the pedigrees contained herein carefully and plan to buy from this offering of popular and up-to-date bloodlines.

Travel and shipping facilities to and from Hutchinson from any point in the country can be easily arranged, and loading and shipping services will be provided.

We shall look forward to seeing you in

Hutchinson on November 8.
